*The Safety Ride grew out of a tragic accident that Winston Benson had approximately 13 years ago. Many accidents like this happen each year. The Coalition of Arizona Bicyclists is an organization dedicated to the continued Education of Bicyclists, Motorists and Government Officials on all issues concerning bicycling and in supporting safe cycling in Arizona.*

*Often you see a stronger cyclist helping another cyclist up a hill, with a hand on the back. The Hand is a symbol for those who help other cyclists. Winston Benson was known for his caring, helping persona.*

*We are honored to continue this tradition of this symbol. Come ride with us, your friends and have an excellent day!!*

*Come ride in the backyard of the Brumbies, Adventure, Iron Gear, DNA, Paragon/San Tan Racing, Two-Wheel Jones/ Jetset Racing, Tri-Mesa and all the rest of the east valley cyclists. Ride portions of the Tour de Mesa course as a warm up for "The Great Arizona Bicycle Festival" being held on April 14, 2012.*

**Good Course, Good Friends, Good Ride!!!**
